

## **2018 Call for Nominations – GRDO Board of Directors**

Have you ever considered being a candidate for Director of the Gloucester Recreation Development Organization (GRDO)? Here is your chance for a terrific personal growth opportunity! We encourage you to nominate candidates or to consider running yourself.

GRDO is governed by a 12-person volunteer Board of Directors elected by organizational membership at the Annual General Meeting (AGM). The GRDO's Annual General Meeting is scheduled for Sunday, March 25, 2018 at the Blackburn Community Centre. Under the GRDO By-law, Directors are each elected for a two year term. In 2018, the terms of four Directors expire (President, Treasurer and two Directors at large). The end of term positions will result in eight vacancies on the board, 4 of which are expected to be filled by the board members soliciting re-election, 2 new applicants have come forward seeking a spot on the board leaving 2 open positions to be filled by any additional applicants.

This is a call for nominations to fill these 2 vacancies at the AGM. We are presently looking for candidates with a background in finance, fundraising and/or a strong sport background.

### **Commitment:**

Any individual interested in serving as a Director with the GRDO should be aware of the following commitments. Currently, Board members attend one evening Board meeting per month, typically the first Monday of every month. The Board is also comprised of 4 Committees: Operations, Finance, Governance and Partnership. These Committees meet in between Board meetings. With these meetings as well as emails and telephone conversations, one can expect a time commitment of approximately 10 hours per month.

This is a volunteer position and receives no paid compensation or reimbursement of out-of-pocket expenses for attendance. However, from time-to-time, board members are offered to attend certain courses with fees paid for by the organization.

### **Application Process:**

Please provide a maximum 2-page profile, which includes the following: name, address, daytime and evening phone numbers, email address, best contact time; reason for expression of interest, what you feel you can contribute to GRDO; skills, education, certification, and experience related to the position; a copy of your Curriculum Vitae.

You may also contact the President of the Board of Directors about the process involved at [president@grdo.ca](mailto:president@grdo.ca). Upon request, you will be sent a job description and sent the required format for your biography and picture that will be made available to GRDO members prior to the Annual General Meeting where voting will take place.

***Nominations for the Gloucester Recreation Development Organization Board of Directors are currently OPEN. Candidates will be elected by members of the GRDO at the Annual General Meeting.***
